

# Where is the US going with NATO?

**Tuesday September 8th, 2015**

3:30- 4:30PM

Center for Military Studies, room 2.0.42

Faculty of Social Sciences, 5 Oster Farimagsgade

Since the war in Libya it has been argued that NATO's role in US security is diminishing, that Washington is giving priority to Asia, and that Europe, despite the Ukraine-crisis, is more on its own. But how does the US view and debate the future utility of its oldest and largest alliance?

On the basis of his new book, 'The US NATO debate: from Libya to Ukraine', Professor Magnus Petersson will give a talk debating this important issue.
