## INTERNATIONAL CONFERENCE AT UNIVERSITY OF COPENHAGEN

### The Chinese military versus the American military, October 23, 2025

Please save the date for the annual People's Liberation Army conference at Centre for Military Studies, UCPH: October 23, 2025, 09:00-16.30.  
Admission free. Registration will open in August 2025.

We are pleased to announce that Centre for Military Studies is arranging the conference "*The Chinese military versus the American military: a mutual assessment.*" The conference will explore the mutual assessment of the world's two largest military powers, including an assessment of their military budgets. The conference will include the following sessions:

1. Professor You Ji, Xi'an, Jiatong-Liverpool University, will assess the American military.
2. Professor Andrew Scobell, The United States Institute of Peace, will assess the Chinese military.
3. Director Jingdong Yuan, SIPPRI, will assess the military budgets of the two countries.
4. A panel debate with the speakers and other international scholars. Moderator professor Mikkel Vedby Rasmussen, University of Copenhagen.

Venue: Southern Campus, UCPH.

Further details will be provided in due course. Read more here:
