

War by Remote

The Battlefields of the Future

What will future battlefields look like?

How will the new unmanned technologies and cyber capabilities effect our strategic, ethical and legal thinking about warfare and the use of force?

And what approach will Denmark take?

Conference organized by Centre for International Law and Justice (CILJ) and Centre for Military Studies (CMS)

Thursday, September 26, 2013

9:00-15:00, followed by reception

Venue: Udvalgsværelse 3, Nørregade 10
